## Who We Are >>>

Jesus Journey is a body of believers with a passion for intimate relationship with God. There is no better place to be than in His Presence because in His Presence we are whole and free. It is through that powerful unity with God that we are able to love people unconditionally and operate as His hands and feet on this earth. The combination of Christ's love, His transforming Word, and the power of the Holy Spirit radically changes us, leading us into the destiny God always intended for our lives. Therefore, it is our desire to introduce others to Jesus, to empower them with the Truth of His Word, and to help them walk in the God-given purpose that He created them for.
